Gourmet in Melbourne, VIC Raw Materials began in 2002 with the vision of providing fantastic quality groceries to countless food lovers Australia wide. We aim to inspire consumers to cook, entertain and enjoy eating through exceptional food with outstanding quality and value for money. We invite them to share the same passion we have for the things we eat and how we eat them. To achieve these aims we are required to have an accessible distribution network built on exceptional service. Our gourmet food delivery service is available in Sydney, Melbourne, Brisbane, Adelaide, Perth and to many other locations in Australia. If our customers are inspired we are sure their customers too will in turn be inspired. From these beginnings we now reach the corners of the country and even stretching to international markets with our great groceries, gourmet foods, gourmet hampers, corporate hampers, gift hampers, condiments, and more. Five reasons to shop with us: 1- Full flavoured traditional food -this is what we are all about. Gourmet food made the way it used to be. 2- An artisinal approach -we source products made by single or family producers who get down and dirty to make the product that you are selling. 3- Long-term relationships - we learn, grow and develop together. 4- Our guarantee - if we ever fail you let us know, as every one of our staff is authorised to do whatever it takes to make things right. 5- Inspiration - let us help you to think outside the square.
