Beauty Salon in Melbourne, VIC It is our objective to meet you at your point of need; we understand that not all people have the same resources and requirements. At Atone Lifestyle Salon, we endeavor to provide effective skincare solutions to meet your financial and lifestyle needs. We endeavor to inform and educate our clients, not just sell products, but also raise our clients awareness about their skin and the world of cosmeceuticals. We endeavour to provide these services in a nurturing environment that adds to the overall sense of well being. Atone is located in the gorgeous, eclectic, parochial cul de sac which is North Melbourne. Like the salon, North Melbourne is one of the inner city's best kept secrets. It is literally minutes to the centre of Melbourne city but you feel like you are somehow removed and cocooned from the hectic bustle of Melbourne city when in North Melbourne. Atone has loyal clients from far and wide. We have clients that travel monthly or bi monthly from rural Victoria and from all over Melbourne including Kensington, Flemington, Yarraville, Carlton, Parkville, Docklands, Southbank, Melbourne CBD, South Melbourne, Albert Park, Essendon, Moonee Ponds, Footscray, Point Cook to name a few. Come and visit us for a chat or a free skin consultation, we are a stone's throw from Melbourne CBD.
