We work hard to provide a very professional environment which is friendly, warm and welcoming and to deliver hair & beauty services which you love at a price that you can afford! we welcome all ages, male and female, children and have a growing family of loyal and professional team. New clients are most welcome to join us! No matter if you want a classic or cutting edge cut, our stylists will be able to give you a great cut. And if you don't know what you want, (our stylists) can suggest some great new cuts and styles for you. It's that easy. Get split ends snipped for a refreshed style and healthier hair. Layers and bangs add a wow factor while keeping your length. A brand new shape can change your whole attitude! Mylonas hair makeover service offers you consultation, shampooing & conditioning with scalp massage, creative style cut and blowwave. Our stylists pay close attention to the needs of your child and your desires to have them look their best in a fun, caring and playful environment. At Mylonas Hair & Beauty Salon, our hair stylists are hair coloring experts. We can give you the right hair color for your skin tone and add dimension to your hair style. We can give your hair more body and shine with highlights or lowlights. Hair highlights will help to brighten your hair style and hair lowlights enhance and deepen your natural color. We can do all over highlights or corrective color. We are committed to the highest quality color products and we are using eco-friendly colors which are free of fumes & toxins, environmentally safe and not tested on animals.
