Bed and Breakfast in Sydney, NSW Tara Guest House is an alternative option to the usual Sydney bed & breakfast. It offers guests a gracious and stylish place to stay in the Enmore Newtown area of Sydney, within easy and convenient reach of Circular Quay. We are very close to Sydney and UTS Universities with a great choice of restaurants literally around the corner, as is Sydney's iconic Enmore theatre, home of the best local and international acts to come to Sydney - even the Rolling Stones have played here. Rooms are seriously generous in size, each with its own character. Please refer to Accommodation & Rates page for more images and pricing. Think faded glory outside as per Venice and Firenze with clean creative spaces therein, tall ceilings with French doors opening onto large verandahs - More Corbusier than Chippendale, not too twee, not too quiet, more boho than 5 star, more artist's digs than the Hilton or a cottage in the country! It has to be said that we offer an urban experience as per Soho, New York, rather than a sojourn in an English rural setting. This is comfortable, informal accommodation and our guests are many and varied including businesspeople, academics, travellers of all ages from home and abroad, architects, writers, musicians, actors and other creative souls with an eye to the good life. We extend a warm welcome to travellers one and all and hope this will be your preferred place to stay when visiting Sydney.
