Hostel in Sydney, NSW We have the following room types available at Funk House: 3, 4 and 6 bed mixed dorm; 3 and 4 bed female-only dorms; single over double private rooms and twin private rooms. Our rooms are spacious and clean with large lockable storage lockers for every guest! Next to every bed is a personal double power socket, plus you can access the free unlimited WiFi from every room. Each level of Funk House has large male and female shower and toilet blocks. The second level has additional toilets so you should never have to wait. Our water system ensures that hot water is always available around the clock and our cleaning team works hard to make sure the facilities are clean and ready for use at all times. Funk House has a huge TV room located on the first floor. We have constructed an awesome three-tiered grandstand seating with plenty of comfy cushions. We have a huge flat-screen TV with over 100 cable TV channels, plus a huge selection of free DVDs. To top it off, every Sunday we have movie night with free popcorn! If you have a late flight and don't know what to do with your bags, don't stress as we provide free luggage storage to all guests on the day of their checkout. How good is that! Just chat to our reception team who will show you where the bags are stored. We provide a huge selection of books to use while at the hostel. The Guest Laundry is located next to the rooftop. The commercial-grade machines cost \$4 per wash, \$4 per dry and we have washing powder available at Reception for 50c. Funk House has a large, clean and tidy guest kitchen with gas stove cooktops, microwaves, toasters and instantaneous boiling water. We provide free breakfast including cereal, toast and spreads every morning. Plus we provide free tea and coffee all day. On Sundays we provide free pancakes between 9 am - 11 am. Next to the kitchen is a large communal dry food storage area. In addition you'll also find commercial-grade fridges to keep your food cool and fresh!
