

The University of Sydney

Sydney, NSW 2006
Australia

Phone: 02 9351 2222

University in Sydney, NSW Since our inception, we have believed in education for all and leadership that makes lives better. The same values continue to inform our policy of inclusion and underpin our long-term strategy for growth. We offer the widest range of academic programs of any university in Australia, with nine disciplines ranked among the top 20 in the QS World University Rankings by Subject 2016. Our teachers, researchers and leading thinkers are paving the way for solutions to complex global issues impacting upon our health, environment, technology and culture. Across 16 faculties, we have research teams working on creating cleaner fuels, faster internet, treatment for chronic illness, and more sustainable ways of living. Explore our schools and disciplines and discover why we're consistently named among the top three universities in Australia by QS World University Rankings. We offer Agriculture and Environment, this includes Centre for Carbon Water and Food, Plant Breeding Institute, Precision Agricultural Laboratory, Pulsford Laboratory, and Hydrology and Geo-Information Sciences Laboratory.
