School in Sydney, NSWShore is committed to an education based upon a credible Christian faith, a belief that all can learn and the idea that a human being is an integrated whole of creative intellect, dynamic spirit, generous friendship and the ability to act positively in the world. We seek to achieve our aims through a well thought through programme of curricular and co-curricular activities in which everyone, staff member and student, participates. The School is blessed with very good facilities but even more so in the quality of the people working and learning here. Shore's dynamic tradition is founded on authentic and transformative Christian faith, with emphases on engaged rigour in academic work, relational service of others, growth in character, personal best in games and co-curricular activities. With this as its foundation, and within the terms of its charter, Shore seeks to be the leading comprehensive school in Australia. Shore therefore fosters a learning community for its students and staff which: Promotes a Christian understanding of the world and society in which we live; Pursues and celebrates academic performance in a culture of learning and thinking; Challenges all to be responsible citizens with an attitude of service to others; Welcomes new experience and learning at all stages of life; Lives according to the Christ-like virtues of humility, perseverance, courage and love of others; Develops individual gifts and talents and cultivates the habits of successful team membership.
