Wedding Planning in Sydney, NSW We are Sydney's Leading Wedding Designers - We plan and style exceptional weddings for time poor couples who are seeking the very best experience & a wonderful and stress-free wedding day. With 20 years experience in events, we bring a wealth of knowledge, skills, and passion to create your perfect wedding day. Bells N Whistles Events are known for our personal approach. We take the time to listen to you, understand and translate your style, ideas, and vision into something incredible that exceeds your expectations and imagination for your perfect wedding day. All the Bells N Whistles package is our full-service package, all inclusive, Premium package for those who want us to completely plan, style and coordinate their wedding. We plan and style every detail of your wedding from start to finish - designing a completely custom wedding for you. Every detail for your wedding day is completely taken care of by our team, ensuring you, your family & friends have the time of their lives. Our wedding packages are all inclusive. The best thing about our package is that you don't need to communicate with anyone else except for us. We manage each supplier and at specific times in your wedding planning journey, you will be invited to meet with each of them to go over your wedding and meet the wonderful people who will be at your wedding - floral designer, photographer, videographer, band etc.
