Beauty Salon in Sydney, NSW At Fields of Beauty we offer a complete range of skin care, beauty spa treatments and personalised cosmetic treatments. Our extensive team includes a qualified cosmetic doctor, professionally trained and experienced beauty therapists and hair stylists who are ready to care for your every beauty need. Our ultimate goal is to provide our customers with only the best in salon quality treatments and services. Our extensive range of skin and beauty services include: Beauty facial treatments; Microdermabrasion; Cosmetic facial solutions such as chemical peels, laser treatments; Anti-ageing cosmetic enhancements like botox injections and dermal fillers; Skincare cosmetics; Permanent laser hair removal; Acne scar removal and pimple and acne breakout treatment solutions; Skin tightening and deep wrinkle treatment; Professional full body waxing for men and women; Eyelash extensions, eyebrow tint and and eyelash tinging; Lip enhancement and lip fillers; Nail spa services, including manicure and pedicure; Hair styling services; and Makeup application. We also offer a large range of luxury beauty and spa packages, including: Pre-wedding spa treatments; Day spa packages; and Bridal beauty services. At the Fields of Beauty we focus on your skin goals. After a detailed analysis of your skin, our skin therapists will work with you to address your skin concerns and develop an effective treatment strategy for your individual skin type and skin concern. We are passionate about good skin care and our beauty spa treatments are all designed to improve the quality and look of your skin, while our surroundings have been designed to reenergize and recharge the soul. As well as tailoring beauty treatments and non-surgical cosmetic solutions to improve the quality of your skin, our knowledgeable staff can offer advice on the best skincare regimen to help you achieve your dermatological goals.
