This family-owned and operated early learning centre is licensed to care for and educate up to 27 children per day. Children from 18 months up to 6 years are welcome at this daily childcare centre open 50 weeks of the year. Banksia educators believe that each child is an individual and develops at their own pace, supporting the learning process in every way. Their curriculum is closely linked to developmental theory and the Principle, Practices and Outcomes as set out in the Early Years Learning Framework of Australia, and created with parental and student input as well. They offer both indoor and outdoor learning environments that satisfy your child's need for play, curiosity, and excitement. For those children ready to transition to a primary school the following year, Banksia offers a preschool programme to prepare them. Numeracy, pre-literacy, social development, music, and movement are all taught. Ratios of children to caregivers is excellent at 1:4 for children ages 18 months–2 years; 1:5 for children ages 2–3; and 1:10 for children ages 3–6 years.
