Head chef Joel Cousins has now joined Bombora @ Goolwa Beach as business partner with Olaf Hansen. The Goolwa born-and-bred culinary king works alongside Olaf to help create a menu that's seasonal and references the area. One of Joel's breakfast specialties is the Beached Benedict, featuring smoked salmon and wakame, a Korean seaweed. It's a smooth blend of flavours that perfectly represents the sea. A summer favourite amongst diners is Joel's Goolwa Superbowl, a Bouillabaise style soup packed with fresh fish, Goolwa cockles, scallops, mussels and prawns. With experience across the south coast, interstate and in Europe, Joel understands the delicacies of fish flavours. Helping Joel in the kitchen is Vanessa Button, a qualified chef who bakes Bombora's cakes and sweets on site.
