Live entertainment 1st and 3rd Sundays of every month and regular musical, cultural and artistic events throughout the year. Tilba Valley Wines is open for wine tasting, cellar door sales, snacks and lunches. The vineyard and winery provide the perfect venue for weddings, dinners, meetings, parties and other private functions (and there are no neighbours to worry about!). The banquet room can cater for up to 70 seated or 100 standing. It has superb acoustics, much loved by local musicians, a small dance floor, its own bar and a cosy log fire for the winter functions. Outdoor functions have full use of the verandah, gardens and lawn overlooking Corunna Lake. A large marquee which covers the lawn is also available for hire. All functions are tailored to individual requirements. Coach parties are very welcome by appointment and special wine tasting/lunch packages are available.
