Aged Care Accommodations in Katherine, NT Rocky Ridge Nursing is a nursing home that features a small home with 35 beds, an alive cultural environment. We also allow pet visits on the premises and have available a registered nurse 24/7. We aim to maintain our clients life as similar as possible as their previous one, and as such we also offer couples accommodation. Our services include several types of care, ranging from respite care to secure dementia, palliative and transitional care. We also take into account client socially or financially disadvantaged, and aim to provide a high quality nursing and aged care accommodation for Katherine and Roper Gulf.

Our rural surroundings are a great medium between the urban life of the city and quiet tranquil surroundings with lots of green vegetation and animals to watch and entertain. Here at Rocky Ridge nursing home we aim to give each and every one of our clients with a secure location in which they can grow old healthily and happily, while maintaining their independence.
