Rubbish & Waste Removal in Melbourne, VIC There are some things in life that are hard, like cleaning out a work shed full of items you no longer use, or a household over-cluttered with old bits and pieces that are taking up much-needed space. At WM Waste Management Services, we pride ourselves on making the process of getting rid of all the things you no longer need or want anymore that little bit easier. We are simply the easiest and most efficient bin hire and collection company in Melbourne's eastern suburbs and the Yarra Valley. So for efficient waste removal, rubbish skip hire or industrial bin hire, you can be assured that Melbourne's most trusted name is our company, WM. Our service is friendly, reliable and we have the widest range of bin hire Melbourne has to offer, ranging from small 2m to large 23m skips. If you need rubbish skips, walk in bins and bin hire then you need not look any further than WM. Our company employs approximately 50 people (for more about employment opportunities [click here](#)) to be actively involved with the drop-off and collection of rubbish skips, and the processing, recycling, transport and solid waste management of both hard rubbish and green organics.
