Shoe Repair in Kirrawee, NSW With sky high stiletto's the raging fashion in 1957, Mister Minit's core service was born. To this day shoe repairs remain our passion, we are the market leaders in shoe repairs and specialists in shoe care. Mister Minit fixes your shoe-related problems conveniently while you wait or while you shop. Ranging from Patching, Stitching, Stretching (can take a little longer), Worn or thin soles, Heel block recovering, Scuffed leather, Cracked leather, Gluing, Zipper repairs, Elastic gusset replacement, Heel tip replacement, Securing heel blocks, Buckle replacement, Strap repairs, and Eyelets. Mister Minit is committed to excellence in customer service and workmanship. We use a great range of Australian made products as well as European manufactured heels and soles. We offer a six-month wear and workmanship guarantee to ensure your favorite pair of shoes remain your favorites for years not months. Heel Tip Replacement - To avoid that cringe-worthy clatter of your broken heel tip on route to your next meeting, repair the original heel and enhance the look and comfort of the shoe whilst protecting the heel block from damage. Replace plastic heel tips with rubber heel tips, quickly to avoid slipping on slippery surfaces especially with super heels. If your heel is worn on the side this can affect the way your walking and damage your posture. If you have a busy schedule heel build ups can be done while you wait or while you shop. Didn't grandma always say people look at your shoes first!
