Shoe Repair in Canberra, ACTManuka Cobbler is one of the only traditional cobblers still operating in Canberra. We use traditional methods when making tailor-made shoes and offer a full repair service for all types of footwear & alterations in Canberra. Unlike our competitors, we offer a thorough & complete shoe restoration service in that we don't just simply tack leather together but instead rework & meld the leather to restore a shoe close to as-new condition. At the Manuka Cobbler, you can be confident that the highest standard of workmanship will exceed your expectations. We have an excellent reputation for handling all types of leather repair and alteration work.Manuka Cobbler as the name suggests was originally located in Manuka but in recent years has moved to the current location in Wollongong Street Fyshwick. David Paven is the original owner of the long established, family owned and operated shoe repair business. Romanian-born, at an early age David learned his trade from his father and has a natural artistic flare to which he passionately applies in his craftsmanship of shoes and leather in all its forms. The "Manuka Cobbler" will continue to service Canberra for many years to come.We will carry out ANY leather repair you require to Footwear, Handbags, Jackets, and Belts etc. When we carry out a Shoe Repair you can expect that ONLY the best possible materials and works will be carried out.
