Storage in Adelaide, SAAt Self Storage Australia we have self-storage space for home, office and business. Our storage spaces are clean, secure and pest free. Self Storage Australia has been a trusted self-storage company in Holden Hill, Elizabeth South and Alice Springs for many years and we have stored goods for thousands of customers. We have the largest self-storage merchandise store in Adelaide, call in and browse through our fantastic self-storage products like cartons, archive solutions, blankets, tape and much more. Our storage professionals can show you how to save real money on packing for that next move. When you choose to store with Self Storage Australia your goods are secure and your goods can only be accessed by pin security via our electric gate system. We do not grant access to anybody else other than customers with the correct PIN number. We are conveniently located at Holden Hill in Adelaide, in Elder Street in Alice Springs and along Philip Highway in Elizabeth South. Very few self-storage facilities provide 24/7 access. At Self Storage Australia we provide access all day every day to provide extra convenience to our many customers. Often it makes sense to store your goods in the cool of the evening when it can be cooler.
