Trophies & Engraving in Sydney, NSW Fast, efficient and reliable are the three things that your engraving services need to be, and this is what we offer at Millenium Engraving in Sydney. With our engraving services, we offer a fast turnaround so you can get your orders as scheduled. No extended waiting, no chasing and no headaches. Everything will be ready in time for your corporate event or sports tournament. Being in the industry for 17 years, you can also trust us to provide you with accurate and superior engraving. We'll give your trophies, awards and plaques the correct inscription you require. This means you get your orders with no errors and with exquisite craftsmanship. We have been providing clients with high-quality award or trophy engraving for years and we offer services for a range of clients. We've had various customers get our services for anniversaries, commemorations, and corporate awards in Sydney. Aside from trophies, we can engrave on silver, pewter, acrylic, glass and crystal for various corporate needs. We also offer our services for sports games and tributes. Just choose the material and we'll take care of etching the important details to memorialise the event you'll be having. The other services we offer are engraved writing for signage, gifts and promotional items. Whatever your etching or inscription needs, we can take care of these for you.
