Upholstering & Polishing in Perth, WA The Furniture Doctor is located in Osborne Park, Perth's northern suburbs in Western Australia and has been restoring, repairing, and polishing Perth's furniture Since 1976 including Upholstery Services. Whether you are after a full restoration of an antique sideboard or a minor repair to a chair leg, we will satisfy all of your timber furniture requirements to the highest standard. The Furniture Doctor can bring your upholstered furniture back to new, repair any damage or change the style to match your decor or modernise. In business since 1976, The Furniture Doctor is Perth's longest running furniture restoration and repair company, having only had three owners. The same skilled knowledge, workmanship and passion have been passed down through the years as all owners have previously been employees. We specialise in antique furniture restoration but can complete all repairs and polishing for your timber furniture as well as minor upholstery for both new or antique pieces. The main brand of finishes we use is Becker Acromam, a product imported from Sweden. Upholstery services we can complete are: Recovering, Upholstery of antique furniture in the traditional style or modernised to match your other furniture, Replacing webbing, foam and springs, Tear Repair, Leather, material and vinyl, Buttoning, braid and studding, Repairing springs and webbing, Upholstery of previously unupholstered furniture. Our Services include Lacquer Finishing, Upholstery Services, French Polishing, Re-staining and Colour Matching, Chair and Lounge Frame Repairs, Re-upholstery and Covering, All Veneer Repairs, Timber Joint Repairs, Rattan Repairs, Furniture Modifications, Insurance Quotations, and Pick-up and delivery.
