Upholstering & Polishing in Caringbah, NSW
Gala Upholstery has over 45 years experience with domestic upholstery solutions. Whether the interior designer says the fabric has got to go or the comfy old lounge has seen its last day; we say, 'if its sturdy re-upholstery is a worthwhile prospect'. This is a fun personal investment of one's time, which results in a keepsake that lasts for the next 10 years or more. Popular styles include Vintage, Antique, Retro, Contemporary, Cultural and Lifestyle. Now that you are here, get excited and turn that domestic eyesore into a standout feature with Gala's domestic facelift. Our Factory Studio is a delight, so pop around anytime during trading hours. The factory is located at 222B Taren Point Road, behind Beaurepaires Tyres. The fabric selection process will have you excited about personal options to suit. we are here to help you through the process. Our showroom is constantly updated with unique furniture items to purchase. These are one-off refurbished pieces. Gala - Commercial Upholstery has over 40 years experience with commercial upholstery solutions. As a custom fabricator Gala Upholstery attends to concept plans from architects, interior designers and furniture retailers. Gala provides upholstery for custom-made items, larger scale fit outs, acoustic panelling or reupholstery. Gala - Furniture Repolishing has over 30 years experience in French Polishing solutions. At Gala Upholstery our experts advise the best materials and techniques used to meet customer needs, whether it is a reconditioning or restyling project, furniture is brought back to an illusive lustre that is truly amazing.
