Upholstering & Polishing in Sydney, NSW For professional upholstery repairs in Sydney, turn to the experienced team at Perfection Upholstery. Whether it's complete furniture reupholstery or something minor such as upholstery leather care, we are the only team you need to contact. Perfection Upholstery's director Steven Leone is a master craftsman with a lifetime of knowledge and experience behind him. He combines old-fashioned quality service with tomorrow's thinking. With Steven at the helm, you know will receive a high quality service that you can rely on. You can entrust our Sydney-based upholstery team with any type of job – from the smallest sentimental pieces to extensive residential, commercial, contract, and marine interior projects. We offer a complete range of upholstery leather services using only the ultimate in premium grade materials and construction methods – from concept to completion. Our furniture restoration services include everything from frame repairs, French polishing, and leather furniture care to all traditional methods of antique restoration. We ensure the best possible outcome with our upholstery repair services. Perfection Upholstery has a reputation across Australia for our heritage antique restoration projects. Due to our reputation, our company's popularity has spread even in rural and remote country areas. If you are looking for a professional furniture reupholstery team, Perfection Upholstery is who you need to call. If you have any questions about our services, contact us today. Our professional team will be more than happy to help.
