Amusement Park in Sydney, NSW Luna Park Sydney is an entertainment precinct of many faces. These days you're just as likely to visit this superbly restored fun-park to catch a concert at the Big Top, eat classy cuisine at The Deck or take in the million dollar views as you ride the Ferris Wheel, as folks have been doing since 1935. Now as then, Luna Park is just for fun. It's a people's park where you can throw a party for the kids, host your dream wedding or stage a gala for thousands in the state-of-the-art Crystal Palace. Check out our website to travel through time and experience Luna Park's history. More than any other venue in Sydney, Luna Park runs on people power. Without the support of the community – kids, adults, poets, artists, notables in the entertainment community and captains of industry – Luna Park would not be the venue it is today. Thank you to everyone for their support and contribution. Luna Park is many things to many people. Today the famous 1930s-era amusement park is complimented by five-star function and wedding venues, an entertainment arena and a variety of deluxe brasserie and bar offerings. Behind the scenes there is an amazing team. In 2013, Luna Park Sydney was selected as the State Winner of the 'Employer of Choice' category of the NSW Business Chamber Awards. If you're interested in joining the fun of Luna Park, we're always on the look out for new members across various roles.
