Aquarium in Melbourne, VICSEA LIFE Melbourne Aquarium, located on the Yarra waterfront opposite the Crown Casino, is one of Victoria's leading visitor attractions and a great outing for the whole family. Plan your visit ahead by checking the official site visitor info here.No trip to Melbourne is complete without visiting Melbourne Aquarium. Situated on the riverside, just opposite the Crown Casino, Melbourne Aquarium is home to thousands of animals, including sharks, turtles, stingrays, sawfish, tropical fish and much, much more.As one of Victoria's leading family and tourist attractions, Melbourne Aquarium offers entertainment for young and old alike. Walk underwater through the glass viewing tunnels and see Australia's marine life like never before! Come within inches of huge sharks, rays and turtles and see some of the remarkable marine and freshwater animals that Australia is famous for.Book your tickets in advance here on the official Melbourne Aquarium website and save up to 20%, compared to standard 'on the day' prices! Whether you're a local looking for family activities in Melbourne, or if you're just visiting Victoria on holiday, Melbourne Aquarium is a must-see visitor attraction.Conservation is at the very heart of SEA LIFE globally, and together with our network of over 40 other SEA LIFE aquariums around the world, we help promote conservation of marine habitats and animals, as well as actively help fund projects and initiatives. We aim to inform and educate the public on marine conservation issues and inspire people to do their bit to help maintain healthy oceans and the amazing array of animals that live in them. After all - without healthy oceans, life on earth cannot be sustained.
