

FAA International Astrology Conference

Melbourne, VIC 3000
Australia

Astrology, Spiritual & Genealogy in Melbourne, VICThe Federation of Australian Astrologers (FAA) was formed to: encourage cooperation and contact between astrologers in Australia and Overseas; establish and propagate a Code of Ethics for Australian Astrologers; publish a national magazine on astrology – the FAA Journal; publish articles on and to encourage research in all fields of astrology; arrange seminars, meetings, to hold a biennial conference, and other activities to enable discussion of issues in astrology. The FAA International Astrology Conference is hosted every two years by an affiliated association and located in various cities around Australia, and conduct examinations and to award diplomas or other documents evidencing the performance of candidates in those examinations.The Federation of Australian Astrologers (FAA) represents a group of people dedicated to the astrological principles of education and research. The FAA was founded in 1971, incorporated in 1995, and is a non-profit, non-sectarian and non-political body.The Federation of Australian Astrologers Inc. is governed by the FAA National Council which consists of representatives from each affiliated association. There is one representative per fifty (50) association members (or part thereof) who are elected by their member association for a two-year period that begins at the National Council meeting immediately after their election. To be eligible for election, a person must be a member of an affiliate association for at least 12 months.
