Campground & Caravan Park in Alice Springs, NT Located 2kms north of the city centre of Alice Springs, and granted with easy access (either by self-drive or on a tour) to all of our great and important touristic attractions, Wintersun Cabin & caravan Park caters to the needs of each and every one of our clients wanting to find a great space for camping and parking near the city but close enough to be in driving distance of our most beautiful national parks. Our neat, clean and grassy sites with shade trees are our specialty: here you will be able to park your caravan easily in a shaded spot and quickly enjoy all of our amenities. Our close distance to the city will allow you to have versatile holiday plans, ranging from a trip into the wild side of Australia or a urban holiday in Alice Springs. Wintersun also offers a range of modern cabins with ensuites, 1 or 2 double beds and triple bunks for the kids if you are a little tired of your caravan and want to make a luxurious stop before getting on with your national park adventure. Our comfortable cabins also have cooking facilities, reverse cycle air-conditioning and double beds for you to rest properly in between your local adventures.
