Zoo in Parkville, VIC Melbourne Zoo is one of the most stunning places in Melbourne during Autumn! Not only is the zoo filled with stunning autumn colours, cooler weather means more animal activity! Our animals become more active and curious about the changes happening in their environment – so get curious and experience a world of wonder at Melbourne Zoo! Our beautiful animals are our pride and joy. With over 2,000 creatures to see, get close to a world of wildlife and experience the joy of knowing you're helping us fight extinction. Giant tortoises can weigh as much as 417 kg and live up to 100 years old. Come and learn more about these spritely characters. Our expert Elephant Keepers answer your questions and give you special insights into the members of our much-loved elephant family. Don't miss the new Seal presentation! Our Keepers will explain about the threats to Australian species, and how Zoos Victoria is contributing to the fight to conserve these species – as well as what you can do to help. Hear all about our Western Lowland Gorillas, who are from the same family as humans, Orangutans and chimpanzees, and share many features with us – they even giggle when amused. The penguin family are the best swimmers and divers of all the world's birds. Watch and listen as our Keepers expand on their swimming prowess, hunting skills and new Balloons campaign. With so much to see and do this summer, plan your visit in advance so you can make the most of every wonderful moment.
