Boat Charter in Airlie Beach, QLD Explore secluded bays, picnic at untouched beaches and relax in the year-round sun. Snorkel over colourful coral reefs teeming with marine life. Experience the beauty of gliding between anchorages hearing only the wind over your sails, and walk through sub-tropical rainforests to reach some of the best views in the world. This is bareboating in the Whitsundays! With a fleet of 20+ boats including Sailing Yachts, Power & Sailing Catamarans, Charter Yachts Australia offers a quality, well-maintained range of boats to meet a variety of experience levels and charter requirements. Our friendly & knowledgeable staff are standing by to assist in finding the perfect boat for your charter and are on hand to offer advice and recommendations. Dreaming about owning your own boat? Or already own a boat and would like a way to get more out of it? Charter Boat Ownership might be the answer you're looking for. Enjoy the pleasures of boat ownership while letting us look after the management of the boat and all that entails to help you receive a return on your investment. Discover true freedom when you skipper your own boat around the 74 Whitsunday Islands. No licence is required to charter, just some basic boat handling experience or a willingness to learn. Get your crew together, choose a boat and you're on your way to sailing away on your own unique Whitsunday's island adventure!
