Team Bray Management is Australia's yacht charter specialist. We offer you the most comprehensive selection of luxury yacht charters in Australia and beyond. Providing luxury yacht charters in Melbourne, Sydney, Brisbane, Gold Coast, the Whitsundays and the Great Barrier Reef, our reach also extends far into the South Pacific and South East Asia. We're a close-knit team of superyacht, event and yacht charter experts who get our kicks out of seeing more people enjoying time on the water. With years of hands-on experience in the global superyacht industry, Team Bray has an in-depth understanding of what needs to happen for charterers, owners and crew to get the most out of the superyacht industry. We're about the experience. For charterers, we want to see them on the water with their friends and family, exploring our coastlines and enjoying the utter exclusivity of a luxury superyacht. From one-off, high spec events, to luxury getaways with groups of friends. For our owners, the aim is their peace of mind. We work to see that their yacht is managed in a way that is financially viable, while meeting all maritime and legislative requirements.
