71 Brunswick St  
Brisbane, QLD 4006  
Australia

Phone: 07 3099 6916

Dj in Brisbane, QLDStore DJ is a national retail business specialising in providing audio and lighting technology to DJs, musicians, venues and events. Our key product lines include media players, digital dj equipment, DJ software, turntables, mixers, sound systems, studio recording equipment, music production software and lighting equipment. Store DJ has retail stores in Melbourne, Sydney, Brisbane and Perth. Further to Store DJ's retail shops, we also provide online purchasing with free delivery around Australia for items under 20kg.We are still known as Store DJ, but we now sell products for a wide variety of entertainment purposes. You can visit Store DJ if you are looking to fit out a recording studio, a stage full of sound or a skyline of lighting. Our team has grown tenfold since the early days, but our mission to find the perfect staff remains. Every staff member at Store DJ is a specialist who is passionate about the products we sell. Visiting any of our stores, you will find people to guide you as you take on new audio and lighting adventures.Our friendly staff are here with personalised advice to help you find the right solution for your needs. This team of industry pro's has extensive knowledge of the latest products, technologies and techniques.
