DJ in Dandenong South, VIC DJ City Australia's Biggest Dj, Sound, Lighting and Performance Superstore. DJ City is a proud local family business supplying professional sound, lighting and audio-visual equipment to DJ's, entertainers, club, bar and restaurant owners, Zumba instructors and more across Australia. Our DJ Store stocks the major DJ gear and equipment brands including Pioneer, JBL, Electro-Voice, Skytec, Chauvet DJ, LD Systems, Reloop, Novation, Shure and Behringer, making us one of the biggest suppliers of DJ gear. We have several DJ Shop locations across Australia with our head office located in Dandenong, Melbourne. DJ City has been supporting Australian DJs and Performers since 2000! Our team members are the core of our business. Our team are made up of professional DJs, lighting technicians, audio producers – and more! The DJ City family live and breathe this industry and strive to help our customers find exactly what they're looking for. We have the know-how to make your upcoming gig a sell-out success. It all began in Melbourne, with three busy stores catering for producers, DJs and music lovers. Our Dandenong, Oakleigh and Ringwood stores were soon joined by our Smithfield store in NSW. More recently, due to high demand, we were able to open a store in Brisbane, QLD.
