Bookkeepers in Springwood, QLDThe Australian Bookkeepers Network has been renowned as innovative industry leaders since 2001! We provide unique support tools, resources and a network of experts that enable bookkeepers to make well informed strategic business decisions and stay ahead in their industry.Our team of research accountants, tax agents, accounting law experts and professional administrators is committed to the best interests of Australian bookkeepers. Maintaining professional standards, we strive to offer only the highest quality products and services.The Australian Bookkeepers Association difference: ABA is governed by bookkeepers; ABA is proudly 100% Australian; ABA's governance structure allows for greater involvement from members; ABA's membership is priced at only \$77 per annum (or complimentary for members of ABN); and ABA is software-neutral, and does not accept financial support from software houses.Specifically ABA focuses on: Representing the interests of the bookkeepers in all appropriate forums; Complying with BAS agent association requirements as per TASA; Training and learning; Providing appropriate avenues for bookkeepers to air and exchange views; and Fostering stronger connections within the bookkeeping industry.
