Bed and Breakfast in Brisbane, QLD Whether you're visiting Brisbane for work, catching up with family or indulging in some much needed R&R, Murphy's B&B is the perfect Geebung accommodation for your next stay. We first opened our doors in May 2014 with the aim of providing comfortable, affordable and memorable Geebung accommodation. Tired of hotel and motel rooms that felt more like a jail cell than a welcoming place to rest your head, we wanted to create something a little bit different. A place where travelers from all walks of life – and all four corners of the globe – could feel cosy, comfortable and cared for. That's why when you stay with us, you'll feel like you've found your ultimate home away from home. A place where you can spend as little – or as much – time in your room as you like. A place you're free to just kick back and relax, secure in the knowledge your every need is catered for, with great company just a few steps away. A place you'll never feel outnumbered, overlooked or invisible – with just four bedrooms you'll always be treated as one of a kind, not one of a thousand. So if you're looking for Geebung accommodation that's a little out of the ordinary, give us a call and secure your stay today. Stay a night, stay a week, stay in comfort at Murphy's B&B.
