Construction Services in Kalgoorlie-Boulder, WASRW Sheds & Rigging Pty Ltd is a company that takes on residential, Commercial & Industrial Projects of all kinds. Located in Kalgoorlie-Boulder, at SRW Sheds & Rigging we aim to provide supply, sheeting and erection of all kinds of sheds, garages, patios and workshops. Our crew consists of roof plumbers, riggers, carpenters, scaffolders and T/A's. We provide a wide variety of services, and are a one-stop for all your shed, garage, patio and rigging requirements. We can quickly complete various works associated with these including, but not limited to: Sell sheds of all sizes, Shed frame erection, Wall cladding, Roof sheeting, Roof plumbing, Installation of doors, Shed fix outs, Domestic & commercial re-roofing, Shed & door maintenance and even mine site maintenance. Safety is our number one concern, and At SRW we put a high emphasis on safety, ensuring all of our employees are trained in Safe Work At Height, have completed their Construction Industry Induction (Blue or White Card) and have the relevant Work Safe High Risk Ticket to show they are trained, competent and able to work in a safe and productive manner. For reliable service and high quality of workmanship, call Scott and the team at SRW today or drop into our workshop in Boulder. We will get to your project right away and you will be completely satisfied with the result.
