Concrete and Cement in Darwin, NT At ALL Cast (NT) we are proud to be one of the Northern Territory's leading manufacturers of precast concrete products of all kinds. Originally trading as two separate companies, Alice Precasters was established in the Northern Territory in 1985 and All Cast (NT) Drainage Systems Pty Ltd commenced operations in 1996. The two Companies have amalgamated on 1st July 2004 as All Cast (NT). The combined expertise of the Directors and employed staff at All Cast (NT) can provide tendering and contracts administration, product design and manufacturing to ISO9001 and comprehensive & diverse range of precast concrete products. We supply Engineering and Construction Developers, Civil Contractors, Building Contractors, Plumbers and Drainers, Government Departments, Local Councils, Communities, Landscapers and the general public, with reliable services and cost effective products of superior quality both in finish and strength. Among our products and services, we offer Off site manufacture, Elimination of unneeded materials, minimization of site labour, Delivery services, Rapid placement and closure of projects, Safe working platforms, transfloor panels. We also are comfortable working in inclement weather and quickly assessing site environment issues. We pride ourselves on believing no job is too small or too big for us! Give us a call and we will do our best to deliver the highest quality result possible.
