School in Brisbane, QLDThe Australian Business School (ABS) is a niche school located in the heart of Brisbane's CBD. We offer an excellent location, expert teachers, personalised support, small and culturally diverse classes and the learning resources you need to excel in tertiary education. Our friendly executive, teaching and support staff are always eager to assist you to receive the best education and study experience with us. We look forward to welcoming you to ABS!The Australian Business School is one of Queensland's newest international schools offering vocational qualifications to both international and domestic students. Established in 2010, our school is specialised in Business, Management, IT and Digital Media.Looking after students and their education is our number one priority. We prepare you to integrate into the work force or integrate to the best Australian Universities. When you complete a program at the Australian Business School, you will leave with valuable skill sets in Business, Management or Digital Media and will get qualifications recognised and transferable across Australia. All our trainings are focused and based on industry requirements.Classes are run by experienced professional local speaking teachers with teaching and industry experience. That means they'll teach you what's relevant and what's really going to help you in your career.
