School in Bald Hills, QLD St Paul's is a Pre-Prep to Year 12 Anglican school with a vision to be leaders in educational thinking and practice. We equip young people for an uncertain future by providing an education worth having. St Paul's School is a student-centred Anglican community preparing balanced global citizens with a heart for servant leadership. At St Paul's School our vision is to be leaders in educational thinking and practice. We believe that each person is uniquely crafted in the image of our creator God, each with gifts, talents, strengths and weaknesses. From birth we are on a journey towards the fulfillment of our God-given purpose. We were designed to be relational beings (both socially and spiritually), interacting with the world which has been entrusted to our care and interacting with each other in community. Learning is a result of our interaction with each other and our world. The more we embrace life, the more we seek to discover or create, the more we learn and the greater is our potential. The Anglican Schools Commission Queensland provides strategic oversight of St Paul's School, ensuring the School operates in alignment with the ethos of the Anglican Church of Queensland.
