Building Supplies in Darwin, NTCSR Gyprock is Australia's leading manufacturer of gypsum based products such as plasterboard and cornice, as well as compounds, adhesives, specialty plasters and associated finishing materials and accessories. Gyprock supplies a comprehensive range of high performance products and systems for many applications to meet fire, acoustic and thermal requirements across all segments of the construction industry. Gyprock is a division of CSR Building Products, one of Australia's oldest and most respected public companies. CSR is also one of Australia's largest building materials manufacturers with a portfolio of respected brands. Each of CSR's well-recognised building products brands is different, yet they all share the company's vision and values with the common goal being the provision of reliable and trusted products and services. Gyprock has been the leading brand of plasterboard, cornice and plastering accessories for Australian homes since 1947. We also support design professionals with industry leading resources for wall and ceiling system specification. We provide industry professionals with quality products, installation guides and backup support, and offer a very detailed section of DIY and expert advice to customer, offering products as well as easy to follow step-by-step instructions and videos to help you get the best results.
