Music School in Bowen Hills, QLD Based in Brisbane, Jazz Music Institute (JMI) is a specialist jazz school delivering courses in jazz since 1997. JMI enjoys a reputation throughout Australia as one of the best jazz institutes in the country, producing graduates with the musical and business skills needed to thrive in the live jazz performance industry. Our method is designed so that anyone of any standard can improvise and also learn about music theory/harmony and its application to performance. Not only do you learn to improvise you will also unravel the complexity of music theory and harmony with a logical, systematic and easy to understand approach. Taught in a jazz context, our accredited courses and casual classes will help you to understand the concepts behind all styles of music including rock, pop, folk, modern dance music and classical. The course content is an excellent background for songwriting. On successful completion of our courses you will be capable of analysing any chord sequence and improvise over it. You will be able to compose music in a variety of styles and your musicianship skills will be of the highest level in performance and theory knowledge. The JMI educators are well-qualified, experienced and enthusiastic educators. As well as being professional musicians, all our educators are involved in the annual review process of the course. See our faculty page for more information regarding our high-quality faculty.
