Phone: (07) 3378 4524

Music School in Kenmore, QLD Established in 2005, we aim to be one of Australia's premier resources for providing joyful music education experiences that promote artistic excellence. All of our programs are given in easily accessible, attractive and comfortable spaces that enable maximum musical enjoyment by both participants and teachers alike. We offer students tuition in a large variety of disciplines – violin, viola, cello, guitar, piano, flute, clarinet, saxophone, voice, and music theory. In addition to private lessons, students are given regular performance opportunities as well as the possibility to take part in our various ensemble programs. Private lessons are the cornerstone of our educational offerings, and we welcome students of all ages, abilities and levels of experience. The School strongly believes that the right match of student and teacher is vital to a student's progress, pleasure of learning and enjoyment of music. Private instruction is the core of music education and weekly lessons are offered for adults, teenagers, and children aged 5 and older, at all levels. Weekly lessons require a commitment from the student as well as from the family. At Virtuosi, students can choose to participate in the AMEB examinations series. This helps motivate students by giving them a goal to work towards as well as a sense of accomplishment. The AMEB exists to provide a graded system of examinations in music, speech and drama, offered nationally and internationally, by providing quality syllabuses, educative services to our teachers, examiners and candidates, and quality publications to the highest editorial standard. Students will be given the opportunity to partake in practical, theory, musicianship and music craft examinations.
