University in Brisbane, QLD We are a highly successful and globally positioned Australian university with an applied emphasis in courses and research. QUT is a major Australian university with a global outlook and a real-world focus. We are one of the nation's fastest growing research universities and our courses are in high demand. Our graduates include eight Rhodes Scholars, five of these awarded in the past six years. We are an ambitious and collaborative institution that seeks to equip our students and graduates with the skills they'll need in an increasingly disrupted and challenged world. We are transforming the student experience we offer our 50,000 students and we place a premium on the international and national accreditation of our various professional degrees. Our internationally award-winning Science and Engineering Centre is home to The Cube, acknowledged as one of the world's largest digital interactive learning and display spaces. We established the world's first Creative Industries Faculty, and we invest heavily in collaborative learning and interdisciplinary research environments.
