Ceramic Manufacturers in Darwin, NT Northern Tile Gallery is the home of modern tiles in Darwin. We supply tiles and tiling accessories to builders, tradespeople and domestic customers. We have worked hard to source the best material available as well as hiring the most knowledgeable and approachable staff. Trust our expert team to assist you with all things tile related. We strive to continually source new products and exclusive tile ranges to provide our customers with a multitude of choices. We take enormous pride in supplying a quality product with quality design advice. We strive to be your one-stop shop for expert advice and supplies for floor and wall tiling, stocking tiles for indoor and outdoor projects as well. Our colour consultants continually review styles and products to deliver the latest ranges from quality manufacturers worldwide. The team at Northern Tile Gallery don't just focus on selling as many tiles as possible. To achieve the ideal tiling solution we want our customers to take advantage of our design and colour consultants that will put the accent in every project. The materials we offer are mainly Ceramic, Concrete, Glass, Glazed, Laminated, Limestone, Marble, Metal, Porcelain, Rectified, Sandstone and Stone. If you are looking for something outside of this list, just give us a call! We will do whatever we can in order to make your project come true.
