Non-profit in Adelaide, SACSI is a not-for-profit organisation providing high quality, caring & excellent value services to people across metropolitan Adelaide & SA to maintain independence at home & in the community. We provide a continuum of support services to almost 1000 South Australians living with a disability, chronic illness, complex health requirements, recovery support needs & issues associated with ageing. We Provide Personalised & Professional Services: Whether you are supported by government funds or managing your own funds, our staff will provide personalised & professional services matched carefully to your support needs & preferences. Since our beginnings, our services have been designed & delivered in a way that enhances people's lives. We customise the right package of services to meet people's needs, exercise the choices they want & lead the lives they desire. Our services can be provided in the family home or other accommodation. We put our clients' needs first, We believe that all clients be provided with the opportunity to be empowered to develop their potential, We are one team that nurtures professional excellence & growth, teamwork & trust, encouraging & respecting each other, We value partnerships with stakeholders, service providers & the community, We are inspired by challenges & responsive, We are committed to integrity, excellence & accountability in our service to those individuals who are ageing or those with a disability. A focus of our service delivery is to ensure that we adopt a person-centred approach to the design & delivery of supports. Client self-advocacy & self-determination is the principle that drives our organisation to ensure that we

deliver quality services & outcomes.
