Marketing in Adelaide, SAA can-do agency, with a passion for excellence, we break through the white noise barrier and ensure your product is remembered .The Mango Promotions management team has over 20 years of experience in promotional campaigns and event management.At Mango we excel at bringing to life the culture and image of a brand. We combine our skills in campaign and talent management to create the right marketing mix for each promotion, from product launches and sampling demonstrations to cosmetic and fragrance retail.Mango Promotions works closely with our clients to effectively design, budget and coordinate your next event. From corporate functions, product launches and community engagement projects. We manage our events from end to end, where its success is a direct reflection on our business.We also have available promotional Staff/Brand Ambassadors: We combine our skills in campaign and talent management to create the right marketing mix for each promotion, from product launches and sampling demonstrations to cosmetic and fragrance retail. We can provide the best promotional staff nationally to assist you with your next event or marketing campaign.At Mango we offer Experiential Marketing, where we design marketing concepts based around experiential marketing ensuring your consumer not only has the opportunity to experience your brand, they build an instant relationship through touch, taste, feel and interaction. Through our engagement with your consumer we offer them a fun interactive moment that they will talk about, they will remember

and they will feel confident to engage with your brand in future.
