Cafe in Adelaide, SA Located within The Playford Hotel, we are proudly South Australian owned and operated and partnered with Accor Hotels as part of the MGallery Collection. A popular social milieu, the Lounge Bar is bustling by day and fascinating by night. An extensive beverage list, renowned cocktails and great value meals make this a perennial favorite for locals and visitors alike. Offering a marvelous, warm ambience amidst stylish Art Nouveau surrounds, our Bar has two distinct personalities; during the day it is a bustling meeting point providing a light a la carte breakfast, coffee and affordable express lunch to visitors both local and abroad. At night, the lights dim and the mood changes. It's time to nestle back into an armchair and enjoy an evening nightcap. Live entertainment appears on select Saturday evenings throughout the year.
