Beauty Salon in Adelaide, SA Here at French Faces by Elena we have over 25 years of experience in beauty, acne & extraction, hair removal and massages for every need of our clients. We have a wide range of facial treatments, including highly sophisticated anti-ageing treatments. We use only the best quality products, including a wide range from Sothys and Thalgo. Among our facial treatments, we have intensive deep cleansing treatments (generally used for problem skin that needs rebalancing, healing, stimulating, purifying, and the extraction of milia spots and blackheads) and express facials (that will rejuvenate your skin with cleansing, toning and exfoliating mask). We are also hair removal specialists. Our waxing treatments include antiseptic skin cleansing lotion and the most hygienic conditions, after-care soothing products, our exclusive pain-reducing application method and the use of the famous high-tech Cirepil Wax (by Perron Rigot) for sensitive facial areas. This is the leading wax brand in the US and France for 70 years and sticks to the hair, not the skin. Customers have reported that it reduces pain by up to 50%. Among our services, we pride ourselves in having excellent makeup artists. Our experts use the ANatural Compatible make-up to give you a fantastic professional look. The revolutionary concept "Feature Focusing Technique" is a simple no guess formula of colour selection & applications. The focus is on your features and this approach creates a naturally attractive and youthful look.
