Hairdresser in Adelaide, SA Every service at Underground begins with a professional consultation to target your needs and concerns. Escape production line mentality, go Underground. Specialising in style precision cutting, Ammonia free hair colouring and organic hair care, Underground has been providing a fresh, alternative approach to hairdressing for over 40 years. Our very experienced stylists offer you quality individual, honest and practical advice in all aspects of hair care. Every service at Underground begins with a professional consultation to target your needs and concerns followed by a style that's modern and practical so you can recreate the style at home. At Underground, we offer a complete system of organic colours, products and rituals. These protect your hair during processing to deliver ultimate shine and silkiness and improve the condition of your hair. Our service is second to none! Underground are the leaders in the industry, from the precision cut, the amazing coffee and our down to earth approach will finally make you realise. You are home!
