Home Minding in Adelaide, SA Established in 1989, our family owned and operated business is the original provider of professional house and pet sitting services in South Australia. With a wide range of services available, let us take care of things while you're away. House, Pets, Gardens - it's what we do. We've matched hundreds of sitters to our valued clients over many years and this experience enables us to recommend an appropriate sitter to meet your individual requirements. So whether you've got a farm at Gawler or a cottage in the city, we can find the right sitter for you. We're Selective! We maintain a register of trusted live-in sitters ranging from retired couples to responsible individuals. People seeking to register as a potential sitter are interviewed in person and must present a current National Police Clearance. Referee checks and being non-smokers are also requirements. We offer a "home away from home" for your furry friends to be pampered and cared for while you're away. We also have daily visiting services for us to feed pets, water the garden or collect mail, ask what you need doing, and we'll take charge!
