Campground and Caravan Park in Gawler, SA
Gawler Gateway Tourist Park offers Cabin and Powered Site Accommodation and Backpacker Accommodation for short and long term stays. For Gawler and Barossa Accommodation, our caravan park is close-by. We have a perfect family accommodation with playground, pool, and grassy space! We are a friendly and quiet family owned caravan and cabin park situated only 5kms south of Gawler and 35kms north of Adelaide. Our Park is perfectly set back off the main road so it has that country feel to it where you can relax in a peaceful setting whilst exploring many tourist options available at your doorstep. It is not only the gateway to the historic town of Gawler but also the gateway to the beautiful regions of the Barossa Valley, Clare Valley, and the Riverland. We have extended our range of cabins and we are also very excited to provide our newly completed backpacker accommodation to offer an alternative for those travellers who are on a budget and for larger groups travelling together. Ultimately our aim is to make your stay with us enjoyable, relaxing and comfortable. If you are heading either into or out of, Adelaide please call in to see what our park has to offer. Please note that we do not accommodate pets of any kind.
