Dry Cleaning and Laundry in Gawler, SA The Ezy Wash & Dry Laundromat makes doing your laundry easy and enjoyable! With a flat screen TV and magazines to help you pass the time and a vending machine with cold drinks and yummy treats, we also have Julian from 'Gawler's Ironing Man' on site 6 days a week to help you out, or even do all your washing and ironing for you! We have washers ranging from a standard top loader right through to a huge 16kg front loader which does triple the amount of washing or your king size bedding! We offer 10 commercial washers including brand new machines & those to fit king bedding, as well as 8 large dryers, fully renovated to suit your needs. At Ezy Wash & Dry Laundromat, we are focused on providing a clean, safe environment for people to use the machines provided with the highest level of customer satisfaction. With a variety of washing & drying options, we're sure you'll be happy with our services. Recently, we have branched out to offer even better services in conjunction with Julian Musker from 'Gawler's Ironing Man' Julian has owned and operated laundries for over 30 years and is now running his own business from the rear of the shop offering washing and ironing services to both private customers and businesses alike. His work is fantastic, he is professional and more importantly, affordable.
