Hairdresser in Gawler, SA After your visit to Colonial Vogue, you will feel very relaxed and looked after your inner beauty will radiate. We are here to pamper you and make you feel very special. We see that your time is valuable, so we ensure that your visit to Colonial Vogue is a memorable and relaxing time within your busy schedule. We offer a complete hair and beauty service in our turn of the century bungalow. Whether it is a luxurious massage, a rejuvenating facial, a beautiful hair style or colour or a prelude to that special night out, Colonial Vogue caters to your every desire. During your relaxation time here at Colonial Vogue we will endeavour to make it as enjoyable as possible with relaxation music with well-known artists such as Enya, Ian Cameron, Enigma and a large selection of Holistic Therapy Music. While you are having your professional hair and beauty services, we will not perform another service on any other client, as your requirements and comfort are very important to us. Quality, not quantity is the essence of Colonial Vogue.
